3. Confirm rollover

By signing this form, I agree that...

This form is designed to be a quick way to direct the investment of eligible rollover funds. If I do not have an investment election on file or wish to make an alternative allocation, I will select investment options by logging in to principal.com or calling 1-800-547-7754.

If I don't make a different investment election prior to my rollover funds being received by Principal®, my funds will be invested based on my current investment election. If I do not have a current investment election on file my funds will directed to the plan's investment default alternative(s): Principal LifeTime Separate Account based on your current age and the plan's normal retirement date.

I certify that this rollover contains no funds from a hardship withdrawal, no excess contribution amounts, and no funds subject to a required minimum distribution.

I certify that no part of this rollover is part of an inherited IRA, simple IRA, SIMPLE IRA within 2 years of the first contribution, or Roth IRA.

I certify that, if the funds are coming from a former employer's plan, I have verified that the plan is a plan qualified under Internal Revenue Code 401(a) or (b) or 457 (b).

I understand that Principal will rely on the information I have provided on this form and/or information from the current financial institution regarding the deposit breakdown between pre-tax and after-tax (including any Roth contributions).

You have options other than rolling the retirement account from your former employer's retirement plan to your new employer's plan. Fees, investment options, services and plan features vary between retirement plans.

By rolling over funds to this account, I agree that I have received and reviewed information about the plan's investment options so that I may make an informed investment decision. Information about the plan's investment options is available in the *Investment Option Summary* included in the enrollment booklet and online at principal.com.

You must roll over qualified funds within 60 days of distribution to avoid tax penalties. If it has been more than 60 days, I agree that I am self-certifying this rollover because I am eligible for a waiver of that period per the guidelines provided by the IRS, and will be submitting a copy of my self-certification to Principal.

*You may roll over a distribution from a traditional IRA to a plan qualified under the Internal Revenue Code §401(a) or (b), an annuity, or a Governmental 457(b) plan to the extent that the distribution would be taxable if not rolled over. After-tax contributions in an IRA (including non-deductible contributions to a traditional IRA) may not be rolled over to one of these plans. Amounts rolled into a Governmental 457(b) plan other than another Governmental 457(b) plan are subject to an early withdrawal tax.

You may roll over a Roth account only into a plan that allows Roth contributions. Please check your *Summary Plan Description* or plan document before rolling over Roth accounts to make sure Roth contributions are available.

4. Plan sponsor authorization

The plan sponsor or trustee has authorized Principal Life Insurance Company to accept rollover contributions per a signed agreement.

5. Request the funds and contribution details

You need to request the funds from the current financial institution holding them. You'll need to provide them some instructions regarding how they provide the funds to us and the breakdown of how they should be directed based on your pre-tax and after-tax contributions (see below). We'll rely on this information and/or the information you've provided on this form when directing the funds here at Principal.

Or we can help you do it. If you'd like some help contacting the current financial institution, call us at 1-800-547-7754 for more information.
