Dear Tribe,

We would like to invite you to our Aromatherapy Blend Bar. Aromatherapy is a wonderful way to reduce stress and increase energy levels. Join us in this experiential class to explore the benefits of aromatherapy while creating your very own blends to enjoy at home or in-office. Each participant will make n' take a rollerball and room mist blend. The number of class participants is limited.

We will be hosting this one-hour class on **Thursday, April 12th at noon (12:00pm) in the Theater.**
